EFL David Chippett BA., Cert. Tesol, A.Dip. Tesol

15 September 2012

Thank you for your interest in either taking courses or your examinations at the college. We regret to inform you that due to the lack of student numbers the college did not open on 17 September.

We are investigating the possibility of moving the examination centre to another address, but this has to be acceptable to the examination boards. We will let you know when we have a positive outcome, but until then we cannot accept any external candidate applications.

We have just been contacted by a possible buyer, if he proceeds, the college will continue as is and we will keep you informed. You can always contact me on my mobile below.

All teaching staff are available for private tuition.

Yours sincerely

Keith Pollard
Principal
